FADE IN:

1 EXT. THE VOID
Airless, eerie silence.
A patina of stars that crawl away forever.
But silent as death itself, something is near...
The Sulaco.

2 INT. SULACO
Deep shadows.
Industrial hum.
Digital displays.

3 INT. SULACO-CRYOGENIC COMPARTMENT
Deep within the bowels of the ship.
Nestled securely in the walls are four hypersleep cylinders.
Within the tubes: BISHOP, HICKS, NEWT and...

4 RIPLEY
Her features outlined through the nearly opaque faceplate.

5 WEIRD CLATTER
Something moving...
Something unearthly.
Needle-sharp claws skidding on wet marble.
Abruptly, it stops.

6 NEWT'S FACE
As she sleeps,
From below her crypt a strange sucking sound...
Like a surgeon removing a rubber glove.
A shadow falls over Newt's eyes.
Something is crawling onto her faceplate.

7 SOMETHING
Creeps into position.

(CONTINUED)
Tiny claws gripping -- searching for a hold.
It pries into the space between the plate and the steel tubing.
Levering, straining with all its force...

THE FACEPLATE SHATTERS
Sharp edges slice deep into Alien skin.
A horrifying shriek erupts from the wounded something.
Geyser of blood squirt from its body...
Spill down the side of the tube, burning into the steel.
Smoke rising from the acid-blood...

ALARMS GO OFF
The sound is deafening.
Warning lights wink on.
Computers whir into life.
The four cryogenic tubes lifted mechanically from their resting places...
A FEMALE VOICE, serenely calm...

FEMALE VOICE
Fire in cryogenic compartment. Repeat.
Fire in cryogenic compartment. All personnel report to E.E.V. Separation in one minute.

Alarms continue.
The Female Voice begins a countdown.
The tubes are transported mechanically through the bowels of the Sulaco into --

INT. E.E.V.
An Emergency Escape Vehicle replete with high-tech gadgetry, digital displays, throbbing red lights...
The four tubes are now computer secured to the bulkhead.
Newt's face twitches behind the broken faceplate...
The Female Voice relentless;

FEMALE VOICE
E.E.V. will be jettisoned in exactly ten seconds.

At the far end of the vehicle, two airtight doors lead into the interior of the Sulaco.

(CONTINUED)
FEMALE VOICE (CONT'D)
Nine seconds...eight seconds...seven
seconds...sealing EEV...
The doors slam shut.

11 EXT. SULACO - DEEP SPACE
The E.E.V. is released and tumbles away from the mothership.
In the absolute silence of space, it falls end over end...
Backlit by a billion blinking lights...

12 INT. E.E.V.
A topsy-turvy world endlessly revolving...

13 RIPLEY'S FACE
Disappear and reappears from view.
Beads of condensation run in fingers over her faceplate...

14 EXT. E.E.V. - DEEP SPACE
Leaving the Sulaco behind, the escape craft plummets inexorably downwards.
Far below, a small planet is visible...
Colorless, gray, forbidding.

15 SUPER:
THE PLANET FIORINA
THE NEROID GALAXY
ORE REFINING PROJECT
MAXIMUM SECURITY PRISON
"FURY 161"

Entering atmosphere, the E.E.V. begins to heat up...
Flames erupt in its wake.

16 EXT. THE PLANET FURY - DUSK
Howling wind.
The bleak landscape dotted with huge skeletons of abandoned machinery.
Crane, derricks, surface vehicles...
Windmills spin crazily in the gale force wind.
A BLACK SEA

Oily breakers on an anthracite shore...
The enormous waves roll and crash onto a shining silicone beach.

A MAN

Tall, gaunt, his muscular body encased in translucent plastic.
His head shaved bald, hood tied securely under his chin...
At his feet, the dark sand is infested with tiny iridescent insects.
Lice and termites.

A FIERY LIGHT

Appears momentarily through a rolling cloud.
The man stares at it.
As it continues to approach, he keeps reeling in the net.
Others join him.
Stare in awe at the light.
Two, three, now five men, all with shaved heads...
Seconds later, the fireball slams into the black sea.

EXT. BENEATH THE SURFACE - BLACK SEA

The fireball is in fact the EEV.
Red-hot, setting the water to boil...
Momentum sending it deeper and deeper..

INT. E.E.V.

As the pressure builds, bulkheads moan and crack.
Bolts explode, ricocheting murderously in the confinement.
A support beam directly above Hicks' head is bent double and gives way.
Failing, it spears Hicks through the head, killing him instantly.
More bolts exploding...

EXT. E.E.V. BENEATH THE SURFACE - BLACK SEA - DUSK

Air bags in the sides of the ship explode outwards...
Slow its decent.
It's too late.
The hull cracks...
Rolling and bucking, the ship starts climbing to the surface.
23 EXT. BLACK SEA - THE PLANET FIORINA - DUSK
The combined roar of wind and water is ear-splitting.
As the EEV, hole gaping, geysers up from the depths on the air bags...

24 INT. E.E.V. - BLACK AND WHITE IMAGES - DUTCH ANGLES - DREAM SEQUENCE
Warning lights PULSE.
STROBES flickering on and off.
Steam blasts out overhead pipes.

25 RIPLEY
Appears from behind a console
Breathing heavily...
Wearing a sweat soaked tank top.
Her eyes flit from side to side.
Then up.
Then down.
She moves into the pod.
Silently crosses the distance to Newt’s sleep tube:

26 IN THE TUBE
Newt sleeps peacefully.
RIPLEY facing down into the sleep tube:
Newt sits up!!
Eyes open wide.

RIPLEY
Newt?

Takes a step forward --
Newt’s mouth slowly opens...

RIPLEY
Newt...
A stream of Alien slime sprays out of Newt’s mouth!
BLASTING Ripley -- she steps back --
Newt’s chest swells.
Pushing up --
Skin growing drum-tight --
Mouth opening even wider --

RIPLEY
No. Not her. NOOOO!!!
She starts screaming as...

27

A SMALL ALIEN

Slithers out of Newt's mouth.
Tiny forearms pushing at the sides of her stretched lips...
It struggles to free itself from Newt's jerking and twitching carcass.
Tiny razor sharp teeth glint in the firelight.
As Newt's face returns to normal, she smiles and...
Ripley can only SCREAM --

MEDICAL OFFICER CLEMENS kneels beside Ripley, examining her face. Her lips start to move. Cradling her head, he tries to hear what she's saying.

INT. E.E.V. - BLACK AND WHITE IMAGES - DUTCH ANGLES - DREAM SEQUENCE

The twin muzzles of a pilot light Flame Thrower shyly pokes out from behind a console. Ripley's EYE appears. Her grip tightens on the Flame Thrower in her hands. She flips a switch to high heat. Moves around the sleep tubes... A noise to her left. She whirls -- Pulls the trigger on the Flame Thrower -- Click. Nothing. She tries again -- A half-hearted burp, but no flame. She begins to panic -- Senses the Alien's presence. Looks left, right, up - no beast. Looks down: The Alien's tail. Coming up between her legs. She turns. Right into its grasp. The useless flamethrower skitters across the floor. She pummels The Beast with her fists. The Alien spins her.

Ripley can only SCREAM --

INT. INFIRMARY

Clemens pulls her screaming face close...
Turns her head away,
Gagging on black salty water, Ripley coughs up...
Struggling for air as --

SUPERINTENDENT HARRY ANDREWS

Late-forties, solid build, shaved head -- strides purposely through the door.
Trailing discreetly behind, AARON, his general factotum...
Aaron's in his early-thirties, a big, beady, top-Sergeant type...
Coming to an abrupt halt, both men stare fixedly at Ripley.

ANDREWS
What’s her status, Mr. Clemens?

CLEMENS
She’s alive.

ANDREWS
Thank you, Mr. Clemens. That’s very helpful. It also means that we have a problem, doesn’t it?

INT. LIBRARY

Cathedral-like.
Four stories high.
Books piled, filed, stacked everywhere...
Candles are used to augment minimal electric light.
The assembled prisoners move into position --
Hang from railings...
Lean on stacks of books...
Smoke.
A prisoner population of 31 men.
All are present.
Lean, hard looking, of all ages...
No fatties.
Andrews seated at the center.
Aaron seated close to Andrews.
Clemens some distance away...
PRISONER MALCOLM

Steps forward.
Physically powerful.
Bald like the others save for one long dreadlock.
Wire rimless glasses.
Clearly a leader.

MALCOLM
Give us strength, Oh Lord, to endure.
Until the day. Amen.

The prisoners all raise their right fists...
Andrews clears his throat --

ANDREWS
This is rumor control. Here are the facts.
As some of you know, a 337 model
E.E.V. crash landed here at 0600 on the
morning watch. There was one survivor.
Two dead and a droid that was hopelessly
smashed beyond repair. The survivor is a
woman.

Mumbles among the prisoners.
MORSE: late-twenties, tight-jawed, gold teeth; he steps forward --
confronts Andrews.

MORSE
(agitaded)
I just want to say that I took a vow of
celibacy. That means no women. We all
took the vow.

Malcolm steps in front of Morse, a gesture of restraint...

MALCOLM
What brother means to say is...We view
the presence of any outsider, particularly
a woman, as a violation of the harmony, a
potential break of the spiritual unity. You
hear what I say. You take my meaning?

ANDREWS
We are well aware of your feelings in this
matter. You will be pleased to know that
I have requested a rescue team.
Hopefully, they will be here inside of a
week and evacuate her A.S.A.P.
(to Clemens)
What's her medical status?

(CONTINUED)
All eyes turn to Clemens.

CLEMENS
One of her ribs may be broken. Possible concussion. What is potentially more dangerous is that she came out of cryo-sleep too abruptly...

Will she live?

ANDREWS

Clemens considers the question.

CLEMENS
She'll be fine.

Pursing his lips, Andrews glances back at Malcolm.

ANDREWS
Look, none of us here is naive.

(pause)

It's in everybody's best interests if the woman doesn't come out of the Infirmary until the rescue team arrives. And certainly not without an escort. Right? So we should all stick to our set routines and not get unduly agitated. Correct? All right. Thank you, gentlemen.

Nobody moves.

MALCOLM
Okay.

He gives a signal and the assemblage breaks up...

Malcolm stops Clemens.

MALCOLM
Pill pusher. You should be careful of this woman.

CLEMENS
We owe all God's children a fighting chance.

MALCOLM
We don't know whose child she is...

CUT TO:
INT. INFIRMARY

Ripley lies still on a cot. There's an IV pack taped to her arm. Clemens appears in the doorway. Moving to her side, he checks her vital signs. On a table beside the cot, he finds another syringe with clear liquid... Prepares to give her an injection. Ripley's eyes snap open.

RIPLEY
What's that?

Clemens is surprised, but tries not to let it show.

CLEMENS
A light cocktail of my own mix. Sort of an eye opener.

RIPLEY
Are you a doctor?

CLEMENS
I've only got a 3-C rating. But I'm the best you're going to find around here...I really ought to shave your head.

Lifts a razor. Startled, Ripley sits bolt upright on the cot, pulling the sheet around her.

CLEMENS
Lice. Big problem here. I'm afraid. I'll give you an electric razor for your more private parts. When you're feeling better you can attend to that.

Pause.

CLEMENS
My name is Clemens. I'm the Chief Medical Officer here at Fury 361. One of Weyland Yutani's backwater work prisons, it grieves me to say.

RIPLEY
How did I get here?

CLEMENS
You rode down on an EEV. Evidently separated from your mothership before you hit our atmosphere.

(CONTINUED)
RIPLEY
What about the others?

CLEMENS
I'm afraid they didn't make it.

This sinks in.

CLEMENS
Would you like the physical details?

RIPLEY
I want to go to the ship.

CLEMENS
You're in no condition for that.

She stands.
Buck naced.

RIPLEY
You want to get me some clothes, or should I go like this?

CLEMENS
Given the nature of our indigenous population, I would suggest clothes.

He turns and opens a closet.

CLEMENS
None of them has seen a woman in years. Neither have I for that matter.

CUT TO:

36 INT. HALLWAY TO CONE OF SILENCE - FURY 361 - DAY 36

A now fully-clothed Ripley and Clemens...

CLEMENS
I've no idea how long you were in hyper-sleep, but coming out of it the way you did can be a jolt to your system. So let's steady on as we go, Ripley.

RIPLEY
How do you know my name?

CLEMENS
It's stenciled on the back of your shorts. We also found your dog tags.

(CONTINUED)
Prisoners are working on securing the E.E.V. onto blocks. They are struck dumb at the sight of Ripley.

RIPLEY
Just what kind of place is this work prison?

CLEMENTS
It used to be a mineral ore refinery.

RIPLEY
And now?

CLEMENTS
Weyland-Yutani's got it on hold. We're just caretakers. I think the Prisoners think of it as a kind of monastery.

RIPLEY
Great. Monks in space.

Ripley takes a deep breath and crawls into:

INT. E.E.V.

Everything is smashed, wrecked...
In the very cramped quarters, Ripley finds a place to kneel. Clemens follows her inside.

RIPLEY
Where are the bodies?

CLEMENTS
We have a morgue. We've put them there until the investigative team arrives, probably in a week's time.

RIPLEY
There was an android...

CLEMENTS
Disconnected. There were pieces of him all over the place. What's left of him was thrown in the trash. The Comoral was impaled by a support beam. He never knew what hit him. The little girl drowned in her cryo-tube. I don't think she was conscious...I'm sorry.

(CONTINUED)
She struggles for control.
Impossible.
Her eyes fill with tears.
Eyes brimming, Ripley spots the remains of Newt's cryotube.
Faceplate is broken.
Probably happened in the crash.
There's a strange discoloration on the metal below the faceplate.
She leans forward, running her fingers over it...

**Clemens**

What is it?

It feels like somebody has dumped ice water down her back:

**Ripley**

(now like stone)

*Where is she?*

**Clemens**

I told you. The morgue. You are disoriented. Half your system is still in hyper-sleep --

**Ripley**

I want to see what's left of her body.

**Clemens**

What do you mean, what's left? The body's intact.

**Ripley**

It is? I want to see it.

_CUT TO:_

**INT. MORGUE - STEPS LEADING DOWNWARD**

Clemens leads Ripley along the circular stairwell.

**Clemens**

Any particular reason you're so insistent?

It's very clear that the girl drowned.

**Ripley**

I have to make sure that's how she died.

That it wasn't something else.

**Clemens**

Such as?

(Continued)
RIPELY
An infection.

CLEMENS
What kind of infection?

RIPELY
She was very close to me. I wouldn't ask if it wasn't important.

CLEMENS
I need more than that to conduct an autopsy.

RIPELY
Cholera.

CLEMENS
You must be joking. There hasn't been a case reported in 200 years.

RIPELY
I was part of the combat team that nuked Archeron. That was one of the reasons.

CLEMENS
We don't hear much out here, but we would have heard about that.

RIPELY
Really? I guess you don't work for the same company I do.

INT. MORGUE - MAIN FLOOR
Along one wall, floor to ceiling, stainless steel cabinets. The floor is corrugated tile, chipped and cracked by time. At the center of the room a ---

PORCELAIN TABLE
With a drain at its center. Illuminated by a pale overhead light. During the next few seconds, we have only momentary SUBLIMINAL IMAGES of the actual autopsy... Clemens puts down the electrical saw. There's an incision in Newt's chest from the top of her throat to the bottom of her sternum. He places his hands on either side of the incision. Taking a deep breath, Clemens prises open Newt's chest. (CONTINUED)
Clemens
(looking down)
We have nothing unusual. Everything in
place. No sign of disease. No sign of any
contagion. Now, since I'm not entirely
stupid, do you want to tell me what you're
really looking for?

A door smashes open.
Andrews and Aaron enter.

Andrews
Mr. Clemens.

Clemens
Superintendent.

Clemens
I don't believe you've met Lieutenant
Ripley.

Andrews
What's going on, Mr. Clement?

Clemens
First, Lieutenant Ripley is feeling much
better. I'm happy to say. Second, in the
interests of public health, I'm conducting
an autopsy.

Andrews
Without my authority?

Clemens
There didn't seem to be time, but it's all
turned out all right, the body shows no
signs of contagion.

Andrews
Good. But it might be helpful if it.
Ripley didn't parade around in front of
the prisoners. It might also be helpful if
you kept me informed as to any change in
her physical status. Or would that be
asking too much?

Aaron staring at Newt's body.

(CONTINUED)
AARON
The prisoners believe defiling a body is a sin...

CLEMENTS
Yes. When one of our prisoners dies, they want the body whole, so he can be resurrected during the coming apocalypse. (shrugs)

RIPLEY
Then they wouldn't object to outsiders being cremated?

ANDREWS
It would be fine with them -- but I'm afraid I would object. It would look bad on my report. We'll keep them on ice until the rescue team arrives.

RIPLEY
There is the public health issue.

Looks at Clemens.

CLEMENTS
Lt. Ripley feels that there's the possibility of a communicable contagion.

ANDREWS
I thought you said there was no sign of disease.

CLEMENTS
I think it would be unwise to tolerate even the possibility of an unwanted virus. An outbreak would look very bad on your report, wouldn't it?

An unhappy Andrews turns to Ripley, condescending in his manner...

ANDREWS
There are thirty-one prisoners in this facility. All former criminals, thieves, rapists, murderers, forgers, child molesters...scum.

(CONTINUED)
ANDREWS (CONT'D)

(beat)
But scum that have taken on religion. I, for one, don't think that makes them any less dangerous. So I try not to offend their convictions. I don't want to disturb the order. I don't want ripples in the water. And I don't want a woman walking around giving them ideas.

RIPLEY
Yes. Obviously for my own personal safety.

ANDREWS
Exactly.

The two lock eyes -- then Andrews turns back to Clemens.

ANDREWS
I will leave the details of the cremation to you, Mr. Clemens.

CUT TO:

INT. ABATTOIR

Shiny, tiled walls.
Various cuts of meat, chicken, lamb, etc, hang from rusted hooks in the arctic gloom...
Row upon row of razor sharp knives line a wall by the door.
Huffing and puffing --

PRISONER FRANK

lurches into the room.
Right behind, helping with the impossibly heavy load, is

PRISONER MURPHY

Barely out of his teens, a convicted thief with furtive eyes.
With great difficulty the two men negotiate:

A DEAD OX

into the room on a rusted ore cart.
Somehow, they manage to get The Beast out onto the floor.
They wrap chains around the dead animal's back legs and begin to winch it overhead.

(CONTINUED)
MURPHY
Frank?

FRANK
Yeah?

MURPHY
What do you think killed Babe?

FRANK
Beats me. Just keeled over.

MURPHY
How old was she?

FRANK
Charts say seventeen. In the prime. Chop her up, later, we'll throw her in the stew.

MURPHY
Right.

INT. GLASSWORKS
Glass tubing coming out in jets...
A huge pot of molten glass behind --

PRISONER #1
You goin'?

PRISONER #2
Nothin' to do with us.

PRISONER #3
Malcolm gonna be there?

Malcolm appears.
All eyes turn...

MALCOLM
Shut it down.
The fire is immediately banked.

MALCOLM
We're all goin'. We show our respect.
They wanna burn bodies, fine by us, long as it isn't one of us.

He moves off...
The others follow.
INT. SMELTER - BLAST FURNACE

An immense space located in the bowels of the operation. Vaguely rectangular, the room is carved out of the very rock of the planet. In the center, there's an enormous pit. Flames are visible over beveled edges descending to the depths. On one wall, a series of ducts and fans control oxygen flow into the furnace area. Cranes on tracks running up and down the room, move loaded or unloaded from catwalks above the pit.

TWO PRISONERS

Stand on a crane, a short distance from the fire in the pit. Rippling heat rises from the floor below. The prisoners hold between them two canvas bags, one containing Newt's body. One containing Hicks' remains. Below them —

RIPLEY

stands on a catwalk beside Clemens, looking at the two prisoners on the crane. Aaron, Malcolm, and several other prisoners are behind her. To her right, Andrews opens a book and begins to read:

ANDREWS
We commit this child and this man to your keeping, O Lord. Their bodies have been taken from the shadow of our nights. They have been released from all darkness and pain...

IN FIRE CONTROL

A small claustrophobic space below the catwalk, cramped with iron pipes, levers and pulleys. PRISONER TROY, sweating profusely, starts opening valves for all he's worth. On a panel before him, gauges start to move. Pressure builds. There's a dial to his right that has two positions. Number one reads, GLASSWORKS. Position number two says, FURNACE. Troy moves the lever to the second position. Dials on the panel head for the red zones...
THE WALL
of the furnace, as giant air-ducts slide open...
Huge fans force air into the chamber.

IN THE PIT
Now combined with oxygen, the methane flame rises.
Getting hotter and hotter...
Blazes through the spectrum, going from red to white-hot.

ON THE CATWALK
Ripley starts to quietly cry.
Tears run freely down her face.
Clemens watches her closely.
Still reading. Andrews raises his voice;

ANDREWS
The child and the man have gone beyond
our world. They are forever eternal and
everlasting...

IN THE ABATTOIR
Something weird is starting to happen.

THE DEAD OX
which FRANK and MURPHY brought in from the beach...
Seemingly begins to dance crazily.
Grotesque.
Something inside the ox trying to break free...

MALCOLM (OS)
We who suffer ask the question. Why?
Why the innocent are punished? Why the
sacrifice? Why the pain?

ANDREWS
Puts down the book.
Looks over to Malcolm, who has, seemingly uninvited, taken over
the service.

MALCOLM
There are no promises. There is no
certainty. Only that some will be called.
Some will be saved.
IN THE FURNACE

the fire rages...

ON THE CRANE

reeling from the heat, the two prisoners reach their breaking point. Hurling the two canvas bags into the pit, they beat a hasty retreat.

ON THE CATWALK

weeping freely, Ripley watches what used to be Newt and Hicks disappear into the inferno. Impulsively, she takes Clemens' arm for support. He gives it freely. Despite the harshness of their lifestyle, all the prisoners are moved by the moment. Malcolm keeps reading:

MALCOLM
But this small spirit will never know the hardships, the grief and pain which lie ahead for those of us who remain. So, we commit this body to the void with a glad heart...

IN THE ABATTOIR

on the table, the ox's body is stretched and distorted. Suddenly, in a moment of carnal frenzy --

A SUPER CHEST - BURSTER

explodes from the ox's thorax. Rockets out of the ox's carcass and tumbles to the floor.

This thing has four legs, Alien head and drooling mouth. Like a horrifying fawn, it struggles to get legs under it. Wobbles round the room.

MALCOLM (OS)
For within each seed there is the promise of a flower. And within each death, no matter how small, there is always a new life. A new beginning.

Struggling upright, the baby creature gurgles... Clatters across the floor and disappears into an air-duct.
IN THE GALLERY

Above the furnace...
Ripley can no longer maintain.
A nervous gesture to her hair.
Another to her ear.
Now scratches her head, despite the tears.
Scratches again.
Looks at her hand.
Recoils.
Looks over to Clemens...

INT. BUG WASH

Ripley in a stall.
Her face appears in a mirror, above a steaming basin.
She studies her appearance.
Now bald.

CHEMICAL SHOWER

Ripley standing in the hard spray amid the swirling steam...
Chin high.
Eyes shut.
An act of purification.

INT. MESS HALL

The prisoners eating -- making jokes, small talk.
Andrews and Aaron at small table, off by themselves.

TABLE - MESS HALL

Prisoners GOLIC, ROGGS and RAINS eating.
Each with a sullen look...
Malcolm sits down at their table.

MALCOLM
Okay. You guys want to tell me what the problem is?
No response.

MALCOLM
Speak to me, brothers.

(CONTINUED)
RAINS
All right, I'll tell you. I don't mind the dark, I don't mind the bugs, or anything. But I mind Golic.

MALCOLM
(to Boggs)
That the way you feel about it?

BOGGS
Yeah. The man is crazy. And smells bad. I ain't goin' out with him anymore.

MALCOLM
(to Golic)
You got anything to say for yourself?

Golic shrugs, grins like an idiot.

MALCOLM
(to Rains and Boggs)
He is going with you. You have a job to do. You will learn not to mind Golic, he is another poor, miserable, suffering son-of-a-bitch like you and me.

RAINS
 Except he smells worse.

BOGGS
And he's crazy.

MALCOLM
You have a job. You are foragers. You are to find abandoned provisions and equipment. There are storerooms of food and tools someplace down there. You are to do this to help your fellow prisoners. You are to do this to prove your loyalty to me. I don't want to hear another word about Golic.

He looks up.

67 RIPLEY

Enters ...
The entire room goes silent.
She takes some cornbread from a basket on one of the tables...
All eyes riveted on her.
She spots Malcolm.
Moves to his table...

(CONTINUED)
ANDREWS' TABLE

Andrews watches Ripley as she moves to Malcolm.
Not a happy look on Andrews' face.
He turns to Aaron.

ANDREWS
As I thought, Mr. Aaron. As I thought...

MALCOLM'S TABLE

As Ripley arrives,
Stands opposite Malcolm...

RIPLEY
Thanks for your words at the funeral.
They helped...

Malcolm stares straight ahead.
Doesn't acknowledge her presence.
Finally turns to her --

MALCOLM
You shouldn't be here. You don't wanna know me. I am a murderer and a rapist.
Of women.

RIPLEY
Really. I guess I must make you nervous.

A moment.
Then Malcolm smiles.
Ripley sits down opposite him.

MALCOLM
Do you have any faith, sister?

RIPLEY
Not much.

MALCOLM
We got lots of faith here. Enough even for you.

RIPLEY
I thought women weren't allowed.

MALCOLM
We never had any before. We tolerate anybody. Even the intolerable.

(CONTINUED)
RILEY
Thank you.

MALCOLM
That's just a statement of principle.
Nothing personal.

RILEY
I guess if you can take this place, you can take anybody.

MALCOLM
This place is as good a place to wait as any other. Better. No temptation here.

RILEY
What exactly are you waiting for?

MALCOLM
We are waiting for God to return and raise his servants to redemption.

RILEY
Where do you get this stuff?

MALCOLM
From the books. We've got all the books in the galaxy here.

CUT TO:

70 INT. LIBRARY

All the books in the galaxy are now visible...
Ripley and Clemens seated among the stacks.
Clemens pours her a short whisky.

CLEMENS
...the books were sent here as a storage depot. Nobody much cared what happened to them. There was a warden here who organized them -- Weyland-Yutani shut down the main operation here about seven years ago. It used to be a thousand man facility. Malcolm and his religious converts volunteered to stay behind and serve out their sentences as a kind of custodial staff, keeping the operation going on pilot light as it were...
And here we are.

RIPLEY
How did you get this wonderful assignment?

CLEMENS
I know you'll find this hard to believe, but it's actually much nicer than my previous posting.

He gestures...

CLEMENS
How do you like your hair cut?

RIPLEY
(rubs her head)
Weird.

CLEMENS
Now that I've gone out on the limb for you with Andrews, damaging my already less than perfect relationship with that good man, and briefed you on the humdrum history of Fury 361, how about you telling me what were you looking for in the girl? And why was it necessary to cremate the bodies?

Pause.

RIPLEY
Are you attracted to me?

CLEMENS
In what way?

RIPLEY
In that way.

CLEMENS
You are rather direct.

RIPLEY
I've been out here a long time.

CLEMENS
Yes. So have I.

He swirls his drink -- looks at her.
INT. VENTILATION SHAFT

An enormous fan with razor sharp blades is going full bore...
Fills the air-duct with warm air and soot.
Murphy is cleaning the passageway, chipping away carbon deposits, scrubbing down the walls.
He whistles as he works, doesn't like the job much...
Stopping, Murphy spots something in the dart of the air-duct.
Kneeling, he checks it out.
Looks like a reptile's skin.
Holding his broom, he stretches it out.
Approximately the size of a small calf...
A calf with reptile skin?
It's too much for Murphy to contemplate.
He starts whistling again:
He hears something in the darkness to his left.
Stopping again, he sees a recessed storage area built into the wall of the air-duct...
A gurgling sound is coming from inside.
Curious, Murphy moves closer.
What in hell is that noise?
Stopping before the recessed area, Murphy peers inside.
There's something in there...
He can't quite make it out.
Curious, he inches closer and sees:

THE ALIEN

still fawn-like, but growing...
Murphy is suddenly rooted to the spot.
Time stops for a second.
Suddenly, the creature --

SPITS ACID

in Murphy's eyes.
Clawing at his face, flesh pealing away from his cheeks,
Murphy reels backwards.
Smoke pours through his fingers.
 Screaming, he slams into a wall and staggers backwards into--

THE FAN

which rips him to pieces.
In the blink of an eye, the walls of the Air-duct are splattered with his remains...
The fan CLANGS to ringing stop as Murphy's skull fouls the blade.
Within the recess on the wall comes a sound...
Very much like a kitten licking milk from the bottom of a bowl.

CUT TO:
INT. CLEMENS' QUARTERS

Ripley lies under the sheets on a small cot. Clemens, across the way, lights a cigarette and pours himself another small whisky...

CLEMENS
Like a drink?

RIPLEY
Sure. Pour me one.

He does.

CLEMENS
I am deeply appreciative of your attentions but I realize they reflected my question. In the best possible way of course...

He hands her a glass.

RIPLEY
You're spoiling the mood?

CLEMENS
I am a medical officer and one does have a job to do...What were you looking for in the girl? Why did the bodies have to be cremated?

RIPLEY
I get it -- Now that I'm in your cot, you think I owe you an answer.

CLEMENS
No, you owe me an answer and being in my bed has nothing to do with it.

RIPLEY
Look, it's over. When I was in hypersleep I had a real bad dream...I don't want to talk about it. I just had to be sure what killed her -- Maybe I made a mistake...

Buzz.
Intercom.

Clemens moves to the speaker...

AARON (V.O.)

Clemens.

(CONTINUED)
CLEMENS
Yes, Mr. Aaron.

AARON (V.O.)
Andrews wants you to report to Ventshaft Seventeen on the Second Quadrant.
A.S.A.P. We've had an accident.

CLEMENS
Something serious?

AARON (V.O.)
Yeah. You could call it that. One of the prisoners got diced.

Click.
Clemens turns back to Ripley --

CLEMENS
I'm sorry...I have to go. Official duties.

As he turns away...

76  RIPLEY
Not looking very happy.

CUT TO:

77  INT. VENTILATION SHAFT
Kneeling on the floor, Clemens examines the remains of Murphy.
There is precious little to look at.
The fan's been shut down.
Andrews and Aaron look on grimly.

AARON
He was a flake...I gave him the assignment.

ANDREWS
No apologies, Mr. Aaron. It wasn't your fault.

Clemens glances up at Andrews:

(CONTINUED)
CLEMENS
Not really much to say, is there? Death was instantaneous.

AARON
No shit.

ANDREWS
I take it he was pulled into the fan?

CLEMENS
A sudden rush of air I would imagine, except...

AARON
Right...almost happened to me once...four years ago...I always tell people...keep an eye out for the fans. Nobody listens.

CLEMENS
Except the fan was blowing.

Clemens stands, studying the inside of the air-duct. Moving closer to the recess in the wall, he notices it for the first time. Slowly, he looks inside. Empty. There's something running down the wall. Something appears to have been spilled over the edge of the recess.

ANDREWS
What's that?

CLEMENS
I really don't know...

Andrews pins Clemens with his gaze. Clemens look away. Instantly, Andrews is suspicious...

ANDREWS
I want to see you in my quarters in say...thirty minutes. If you please, Mr. Clemens.

He shepherds the others out of the air-duct. Alone, Clemens considers the grizzly scene before him... Returns his attention to the corrosive burn.

CUT TO:
INT. E.E.V. - CONE OF SILENCE

Ripley suggles through the cramped space, moving debris,
looking for something.
Beneath some smashed and decimated equipment, secured within
the bulkhead, she finds what she's after.
Above a seal on the wall in bold letters, she reads:

FLIGHT RECORDER
DO NOT BREAK SEAL

Wiping sweat from her eyes, she breaks the seal on the container.
A modular black box appears from beneath the seal.
She pries open a plate on the black surface and presses a button.
She can see pulses on a meter in the box's face.
Flight recorder still operational.
Shutting it off, she puts it on the floor beside her.
She studies the carnage in the cramped confines...
Clemens appears, peering through the hole in the bulkhead:

CLEMENS
You know, wandering about without an
escort is really going to piss Superintendent Andrews off...

RIPLEY
Screw him. What about the accident?

CLEMENS
Very bad, I'm afraid. One of the
prisoners has been killed.

RIPLEY
How?

CLEMENS
Airshaft. Poor silly bastard backed into a
six foot fan.

Pause.

CLEMENS
I found something at the accident site --
just a bit away from where it happened --
A mark. a burn...much like the one you
found on the girl's cryotube.

Ripley just stares at him.

CLEMENS
I'm on your side. I want to help. But I'd
like to know what's going on, or at least
what you think is going on.

(CONTINUED)
RIPLEY
(re: box)
I need to know what happened here in the E.E.V., why we came down. If you really want to be helpful, find me a computer with audio capabilities so I can access this flight recorder.

CLEMENS
We don't have anything like that here.

RIPLEY
Where's Bishop?

CLEMENS
Bishop?

RIPLEY
The droid that crashed with me.

CLEMENS
I'll point you in the proper direction. I'm afraid I can't join you. I have an appointment.

CUT TO:

79 INT. CANDLEWORKS

Prisoners heat wax in vats and dip candles. Candles flicker everywhere. They hang from wicks in bunches. They gutter in bizarre glass molds shaped like gargoyle faces... Malcolm is helping Golic, Boggs and Rains load short fat candles into over-sized backpacks. Golic is stuffing food into his mouth. They are preparing to explore and forage among the abandoned mine shafts beneath the planet's surface. The three Prisoners climb into their backpacks.

MALCOLM
Golic?

GOLIC
Yeah?

MALCOLM
Light a candle for Murphy, will you?

GOLIC
I'll light a thousand... (CONTINUED)
Golic and his two companions disappear into the ventilation shaft.

CUT TO:

86 INT. ANDREWS’ QUARTERS

Clemens and Andrews seated across from each other at a small wooden table. Andrews slowly pours tea.

Sugar?

Thank you.

Milk?

Yes, please.

Andrews suddenly explodes:

Listen to me, you piece of shit. You screw with me one more time and I’ll cut you in half.

Clemens remains very calm...

I’m not sure I understand.

At 0-seventeen hours, I received word from the network. I may point out this is the first high-level communication this installation has ever received to my knowledge. They want this woman looked after. They made it very clear -- they consider her to be very high priority.

Why?

(CONTINUED)
ANDREWS
I have no idea -- Why'd you let her out of the infirmary? It's all connected to this accident. This is what happens when one of these dumb sons-of-bitches walks around with a hard on.

CLEMENS
I'm a doctor. Not a jailer.

ANDREWS
Don't hand me that. We both know exactly what you are...

Getting up, Clemens heads for the door. Andrews pounds his fist on the desk:

ANDREWS (CONT'D)
Sit down!

CLEMENS
I think it might be better if I left. I find you very unpleasant to be around.

ANDREWS
You do? Isn't that lovely. Consider this, Mr. Clemens. How would you like me to have you exposed? Do you want your dirty little past made part of the general conversation here? Perhaps you'd like me to explain your sordid history to your new friend, Lieutenant Ripley? For her personal edification, of course...

(beat)
Now sit the hell down.

Clemens returns to his chair.

ANDREWS
I don't like you. You're unpredictable, insolent, possibly dangerous. You question everything and spend too much time alone. Always a bad sign.

(beat)
If I didn't need a medical officer, I wouldn't let you within sight years of this operation.

CLEMENS
I'm very grateful.

(CONTINUED)
ANDREWS
Keep your sarcasms to yourself. Now, is there anything I should know?

CLEMENS
About what?

ANDREWS
About the woman. Don't play with me, Mr. Clemens. You spend every second you can with her. And I have my suspicions that not all of your concerns with her are medical... Has she said anything to you? Anything about where she's from? What her mission is? What the hell she was doing in an E.E.V.?

CLEMENS
She told me she was part of a combat team that came to grief. I assume beyond that it's all classified. I haven't pressed her for more.

ANDREWS
That's all.

CLEMENS
Yes.

ANDREWS
Nothing more?

CLEMENS
No.

ANDREWS
You're sure?

CLEMENS
Very sure.

Seething, Andrews studies his hands. There's obviously something Clemens is not telling him.

ANDREWS
Get out of here.

(CONTINUED)
Clemens rises, heads for the door.

ANDREWS
You and I find safety in the daily routine here. I'm not going to let it be interrupted. I'm not going to allow the animals to become agitated. Not by a woman. Not by accidents. Not by you.

CLEMENS
Whatever you say.

ANDREWS
Your loyalties are to this operation. And to your employer. Not to strangers. She will be gone someday and we will still be here. Do you understand?

CLEMENS
Yes. Your point is quite clear.

ANDREWS
I don't want trouble with our employers. I don't want trouble of any kind. So you keep an eye on the Lieutenant. Right?

CLEMENS
Right.

ANDREWS
Goodnight, Mr. Clemens.

CLEMENS
Goodnight, Superintendent.

Clemens leaves.

CUT TO:

81 EXT./INT. OPEN CYLINDER - REFUSE DUMP - NIGHT

As the wind shrieks...
A gigantic pit stands open to the roaring sky.
It's piled high with everything the prisoners have discarded.
Standing on a mountain of rusted engines, pneumatic drills and other equipment --

82 RIPELEY

rummaging through miles of wires, tubing and parts.

(CONTINUED)
The wind tears her eyes.
Stopping for a second, she sees...

83 A HAND

Grabbing out of a pile of some wiring.
Realizing what she's looking at, she starts digging through the refuse at speed.
Finally, she unearths the remains of --

84 BISHOP

The Android.
He's a shambles.
Most of his face and lower jaw are gone.
Parts of his neck, left shoulder and back are intact.
At the rear of his mouth is a small speaker.
Grabbing some wire, Ripley starts stuffing them into a bag.

85 INT. DARK PASSAGEWAY

Deep within the unexplored vastness of the complex.
It's black as night.
Illuminated by the light of his torch --
Golic eyeballs a sign on the wall in front of him.
Behind him, Rains lights a candle.
Kneeling, he places it in a row that seems to crawl away forever into the dark.
The flickering light reveals a hallway.
A very long hallway.
The sign on the wall above Golic reads:

TOXIC WASTE DISPOSAL
THIS SPACE HERMETICALLY SEALED

Boggs glances back at Rains.
Kneeling, he studies a map at his feet.
When he speaks, his voice echoes and re-echoes off the concrete walls.

BOGGS

How many?

RAINS

(checking notes)
This makes a hundred and eighty-six.

Golic shoves some food in his mouth and chews, noisily.

(CONTINUED)
It's a big sound in the awesome, flickering silence. Irritated, Boggs turns on him.

**BOGGS**

Can't you chew with your mouth closed? I'm trying to figure how big this compartment is. I can't think with all the Goddamn noise you're making.

**RAINS**

You're not supposed to swear.

**BOGGS**

Sorry...

Golic swallows.

**BOGGS (CONT'D)**

Now...We've circled this entire compartment once. (turning) How many candles, again?

Boggs doesn't get an answer.
He glances sideways at Rains.
Rains is scratching himself furiously.
Stares fixedly down the row of flickering candles.
Golic follows his line of sight.
Something very bizarre is happening.
Every few seconds, one of the candles goes out.

**BOGGS (CONT'D)**

What the shit is doing that?

**GOLIC**

You're not supposed to swear.

**BOGGS**

Shut up. It's okay to say shit. It's not against God.

**RAINS**

What the hell is going on with the candles?

The three prisoners hold their torches high in the air. Try to see what's going on.
No deal.
Whatever's snuffing out the candles is too far away to be illuminated by the torches.

(continued)
BOGGS
Must be a wind from one of the shafts
-- backwash from the closest circulating
unit. If all the candles go out, how're we
going to know where we are?

RAINS
Somebody will have to go back and re-
light 'em...
(beat)
I guess I'm nominated..

BOGGS
(turning)
Give him your torch.

Golic hands Rains his torch.
Rains moves down the line of candles.
His companions receding in the distance.
His footsteps echo inside the hallway.
Behind him, he hears Boggs:

BOGGS
(nervously)
Watch your step.

The words echo and reverberate within the enclosed space.
Moving forward, Rains starts to sweat.
Ahead, another candle goes out.
Golic and Boggs are a long ways behind him, now.
Only three more candles to go.
Beyond, there's nothing but a black hole.
Stopping at the last flickering candle, he raises his torch high in the
air:
There's nothing there.
Relieved, he starts to relax.
Then he realizes there's a massive glob of blackness off to his right.
It's not reflecting the light from his torch.
And it's moving.
It's moving very fast.

THE ALIEN

rises up, directly in front of Rains.
Now a fully mature creature.
It moves with the speed of a big cat...
In one blurred motion, it is upon him.
Tears open his chest -- leaves a gaping hole in his abdomen.
The last thing Rains hears is his own scream.
INT. DARK PASSAGEWAY - GOLIC - BOGGS

Three hundred yards behind, they'd hear Rains' agonized cry and watch the torch flicker out.
Suddenly panicking, Boggs grabs the torch and takes off in the opposite direction.
Golic charges after him.
Rounding corners, charging through the blackness.
A maze of ink-black passageways.
Footsteps reverberate.
Finally catching Boggs, Golic takes back the torch.
Both men are exhausted, completely lost.
Out of breath, unable to speak.
Trying to collect himself, Golic stares around.
Ahead, he see candles flickering in the dark.

BOGGS
(rasping)
We ran in a circle. We're back...

Lighting the torch, he peers around in the dark.
Lambent light illuminates something horrible.
Leaning against the wall, covered with blood --

RAINS

stares blankly at nothing, a look of abject terror frozen forever on his face.
Boggs starts to get sick.
He never finishes.
Glancing up on the ceiling, Golic sees --

THE ALIEN

crawling across the ceiling like a spider.
At the speed of thought, it leans down and rips off Boggs' head.
Blood flies everywhere, spattering Golic in the face.
His tunic drenched...
Paralyzed with fear, Golic watches the Alien hurl Boggs' helpless body against the wall.
Still hanging from the ceiling, it stops what it's doing and turns to Golic.
Watching the thing, Golic wigs out.
From this moment on, he will be forever bent.
Screaming like a banshee, torch in hand, he runs away into the echoing dark...

CUT TO:
INT. INIRMARY

Alone, Ripley studies the remains of Bishop.
There’s a battery pack in his left shoulder.
She checks the connections.
A spark sizzles.
Using a cable, she connects a terminal in Bishop’s smashed thorax
to the black flight recorder.
Instantly, Bishop’s one eye blinks.
A garbled sound comes out of the small speaker at the back of his
mouth. Shoving her hand into his throat, she gives him an adjustment.
Bishop’s voice suddenly becomes audible.
As he speaks, his eye wanders...

Ripley...

RIPLEY
Hello, Bishop. Can you feel anything?

BISHOP
Yes. My legs hurt.

RIPLEY
I’m sorry that...

BISHOP
It’s okay. I’m just a glorified toaster --
How are you? I like your new haircut...

RIPLEY
Can you access the data on the flight
recorder?

BISHOP
No problem.

BISHOP (CONT ‘ D)

She plugs the black box into a connection, wires it to his head.
Bishop’s one good eye opens and closes.
What remains of his forehead wrinkles in concentration.

I’m home.

RIPLEY
What happened on the Sulaco? Why were
the cryo-tubes ejected?

Seconds pass.

(CONTINUED)
Then, the sound of the female voice heard aboard the Sulaco just prior to separation, comes out of Bishop's voice box.

**FEMALE VOICE (OS )**
Fire in cryogenic compartment. Repeat. Fire in cryogenic compartment. All personnel report to --

**RIPLEY**
What started the fire, Bishop?
(no response)
Can you hear me?

**BISHOP**
The fire was electrical. It was in the subflooring...

**RIPLEY**
Did sensors detect any moving life form on the ship prior to separation?

**BISHOP**
It's very dark here, Ripley. I'm not what I used to be.

**RIPLEY**
Does the flight recorder indicate anything? Was there an Alien on board?

An eternity.
Ripley waits.
Bishop's eye rolls around in his head, focusing on God knows what.

**BISHOP**
Yes.

**RIPLEY**
Is it still on the Sulaco or did it come with us on the EEV?

**BISHOP**
It was with us all the way. It was in the little girl...she never had a chance.

**RIPLEY**
Does the company know?

**BISHOP**
The company knows everything that happened on the ship. It all goes into the computer and gets sent back to the network.

(CONTINUED)
RIPLEY
Do they want the Alien?

BISHOP
I don't know. I'm not feeling very well.

Pause.

BISHOP
I wish I could help you but I'm really not
good for much.

RIPLEY
I'll save your program. If I ever get out
of here, they can wire you up again.

BISHOP
No. I'm tired. Do me a favor. Just
disconnect. I can be re-worked but I'll
never be top of the line again. I'd rather
be nothing.

RIPLEY
You're sure?

BISHOP
Do it for me, Ripley.

She pulls the wires.
Bishop's head rolls onto its side...

CUT TO:

INT. INIRMARY - CLOSE ON GOLIC

Golic is straight-jacketed into a wooden chair.
Covered in blood and gore.
Clemens tries to attend to him...
Andrews, Aaron, Malcolm stand nearby.

GOLIC
You pious assholes are all gonna die.
Slaughtered like pigs. The beast has risen.
It feeds on flesh. Nobody can stop it.

MALCOLM
What about Boggs and Rains?

GOLIC
I didn't do it. Slaughtered. It wasn't me.
ANDREWS
Stark raving mad. I'm not saying it was anyone's fault, but he should have been chained up.

AARON
You called it, sir. Mad as a fuckin' hater.

ANDREWS
Keep him separated from the rest, I don't want him causing a panic. Clemens, sedate this poor idiot.

MALCOLM
Not until we know about the brothers.
(turns to Golic)
Now pull yourself together, man, talk to me. Where are the brothers?

GOLIC
I didn't do it!

ANDREWS
Hopeless. You're not going to get anything out of him...Send out a search team. We'd better make sure this simple bastard hasn't murdered them.

Ripley enters.
All eyes turn to her.

ANDREWS
Get her out of here! This is a private matter! I don't want anyone in here, least of all her! Mr. Clemens, see her out.

Clemens moves to Ripley's side, takes her back out into the corridor.

INT. CORRIDOR

Ripley and Clemens.

CLEMENS
The prisoner came out of the mine-shaft raving, covered with blood -- He's a psychopathic serial killer. He may have reverted to form and hacked up two fellow inmates.

(CONTINUED)
RIPLEY
Are you sure it was him?

CLEMENS
He's denying it. Claims that it was a beast of some kind.

RIPLEY
You remember the dream I had? The nightmare...

Yes?

CLEMENS

CUT TO:

On her look...

93

INT. ANDREWS QUARTERS

Andrews, Ripley, Clemens, Aaron.

Andrews leans very close to Ripley's face.

ANDREWS
Let me see if I have this correct, Lieutenant. It's an eight foot insect of some kind with acid for blood and it arrived on your spaceship. It kills on sight and is generally unpleasant. And, of course, you expect me to accept all this on your word.

RIPLEY
No. I've met people like you before.

ANDREWS
I'll ignore that. Tell me, Lieutenant, what would you suggest we do?

RIPLEY
What kind of weapons have you got?

ANDREWS
This is a prison. It is not a good idea to allow prisoners access to firearms.

RIPLEY
No weapons of any kind?

ANDREWS
Sorry. We're on the honor system.

(CONTINUED)
RIPLEY
Then we're fucked.

ANDREWS
No. You're fucked. Confined to quarters. Aaron, pull yourself together and take her to Cell Block C. You'll have it all to yourself. I think you'll be safe from any large nasty beasts while you're there. Right? Yes, that's a good girl.

Pause.

ANDREWS (CONT'D)
Aaron, after escorting the Lieutenant to her new quarters, get going on organizing a search party.

AARON
Right, sir.

CUT TO:

INT. CELL BLOCK "C"

Deeply shadowed...
Abandoned years before.
Grey walls stained with age.
Aaron escorts Ripley down a prison corridor cells on either side.
He carries a bed-roll under one arm...

AARON
Just pick one. They're all the same.

She stops.
Enter a cell.
Aaron hands her the bed roll.

AARON
He didn't say anything about locking you up. The place is all yours.

He walks off.
Stop.

AARON
There's some old magazines over there...

Moves off again.

RIPLEY
Looks around the small cell and immediate surroundings.

(CONTINUED)
Bleak.
Cot.
Wooden stool.
Basin.
Stained toilet.
She gives it a flush.
It works.
She goes to the basin.
Starts to wash up.
As she grabs the small towel and begins to dry...
An arm suddenly comes through the bars from behind and
grabs her around the neck.
Another arm grabs her shoulders.
Another arm reaches through, starts to fondle her private parts.
As she struggles...
TWO PRISONERS appear in the door of the cell, start to advance
on her.
Ripley breaks free of the arms...
Punches one man.
Kicks the other in the balls.
But...
An even larger prisoner appears in the doorway.
He reaches down, grabs the wooden stool.
Jams it between the bars.
Yanks.
It shatters.
He now holds one of the stool legs as a club.
Two other prisoners appear just behind him.
The two Ripley knocked down start to get to their feet.

PRISONER WITH CLUB
Okay, lady... You can take it with a smile,
or you can take it with some lumps.
Anyway you want it...

Malcolm suddenly appears from behind.
Smacks the two prisoners in back.
The prisoner with the club turns --
tries to belt Malcolm -- Malcolm guts punches him, twists the club
away, then cracks him twice over the head with it -- the second
blow dropping him.

MALCOLM
(to the other prisoners)
You will not fornicate! You will not
rape! You will live up to your vow! You
are too close to heaven to turn around!

He hits one of them.

MALCOLM
I'm not going to let it happen!

(CONTINUED)
Hits another one.

MALCOLM
You are too close to heaven to turn around now!

The prisoners cower.

MALCOLM
Speak!

One prisoner croaks...

PRISONER #1
The woman. We needed...

Malcolm blasts him over the head with the club. Looks at Ripley.

MALCOLM
You okay?

RIPLEY
Yeah. I guess so. Nothing hurt but my feelings.

MALCOLM
Take off. I've got to re-educate some of the brothers. We're gonna discuss some matters of the spirit.

She starts to go.
Passes one of the prisoners.
Stops.
Looks him in the eye.
A long moment.
Then she punches him in the mouth.

CUT TO:

96 INT. INFIRMARY
Ripley sits on a cot.

RIPLEY
Isn't there any way off here? Some damn way to escape?

(CONTINUED)
Clemens
It's a prison. No way out. A supply ship comes once every six months.

Ripley
That's it?

Clemens
They are sending a ship to pick you up and investigate the whole mess. Quite soon, I gather.

Ripley
What's soon?

Clemens
I don't know. No one's ever been in a hurry to get here before.

Golic stands across the way in a corner, staring at the wall. He's gone catatonic. He's wearing a primitive looking straightjacket.

Clemens
How do you feel?

Ripley
Nauseous.

Clemens
Shock. Not unexpected, given the circumstances.

Clemens fills a syringe...

Clemens
I'd best give you another cocktail.

Golic
(mumbling)
It all starts with the sun. It starts with the light. It all comes out of the sun. It all ends with the sun...

Clemens
That's quite profound. Thank you, Golic.

Studying her face, he injects her with the syringe. In his straightjacket, Golic stares at nothing. Turning, he grins at Ripley. She looks away.
CLEMENTS
Are you married?

RIPLEY
(distracted)
What?

CLEMENTS
Are you married?

RIPLEY
Why?

CLEMENTS
Just curious.

RIPLEY
No.

Pause.

RIPLEY
Do you think I'm crazy?

CLEMENTS
About The Beast? I wouldn't say crazy. But I think you're over stressed after the crash.

Golic mumbles something incoherently.

RIPLEY
My stomach hurts.

Glancing at Clements, she seems to notice him for the first time.

RIPLEY
What's your story?

CLEMENTS
Could you be a little more specific?

RIPLEY
When I asked you how you got assigned to this shithole, you avoided the question. I understand how a second-rate dickhead like Andrews gets sent here, but you must have screwed up real bad...

(CONTINUED)
CLEMENTS
I did. After my student years, despite the
fact that I had secretly become addicted to
Morphine, I was considered most
promising. I was on my first residency,
did a 36 hour stretch in an E.R., went out,
got drunk, got called back after a boiler
had blown on a fuel station. Thirty
patients. Eleven of them died when I
prescribed the wrong dosage of pain
killer. I got seven years in prison and my
license reduced to a 3-C. While in prison
I kicked my habit. And here I am.

RILEY
I'm sorry.

CLEMENTS
About what happened? Yes, so am I.
About the prison sentence, no, I deserved
it...

Golic continues to mumble.
Ripley lies back on the cot.
Clemens moves next to her, dabbing her forehead with a wet towel.

CLEMENTS
Are you all right? You don't look well.

RILEY
The dream I had... It was -- terrible. I
keep going back to it. I can't shake it...

Buzz.
Intercom:

AARON'S VOICE
Let's all report to the Mess Hall. Mr.
Andrews wants a meeting. Mess Hall,
right away, gang...

The ALIEN suddenly drops down from the ceiling behind
Clemens --
Rises to it's full height -- over eight feet --
Big, black, shiny-smooth head moves into the light.
It moves towards her, cable-like arms held out at its side -- moving
out of sync with its feet -- Ripley tries to move, to cry out -- She
can't.
The Alien moves up right behind Clemens -- He should feel its
breath on his neck but he doesn't -- he doesn't turn -- the Alien --
TEARS HIS HEAD OFF!!

RIPLEY can't scream. Diaphragm pushes air out -- but no sound. The Alien moves closer to her. She can feel his breath -- it evaporates the sweat on her forehead -- a CHILL runs through her but she still can't move -- The Alien stands alongside her bed.

GOLIC
Hey, you. Get over here. Let me loose. I can help you. We can kill all these assholes.

The beast turns and looks at Golic, looks back at Ripley -- Pulls itself back up into the overhead airshaft and is gone.

RIPLEY
Mouth agape. Scared shitless.

CUT TO:

INT. MESS HALL

Andrews stands before the assembled prisoners, Aaron seated nearby...

MALCOLM
Give us the strength, Oh Lord, to endure until the day. Amen.

The prisoners all raise their right fist...

Andrews begins after ceremoniously clearing his throat.

ANDREWS
All right, once again this is rumor control. Here are the facts. At 0-four-hundred hours, prisoner Murphy, through carelessness on his part, was found dead in vent shaft seventeen. From the guidance gathered on the spot, he seems to have been caught by a strong air draft and got blown into the ventilator fan...

(CONTINUED)
He moves around the large room

ANDREWS (CONT'D)
At 0-four-hundred hours, Prisoners Boggs, Rains and Golic left on a routine foraging mission into the underground network -- at about 0-seven hundred hours, prisoner Golic re-appeared in a dazed and deformed state. Prisoners Boggs and Rains are missing. Unfortunately, there seems to be a good chance that they have met with foul play at the hands of prisoner Golic. We need to organize and send out a search party. Volunteers will be appreciated.

Stops in front of the huge glass brick wall.
Deeply shadowed.

ANDREWS (CONT'D)
I think it's fair to say that our smoothly running facility has suddenly developed a few problems. I can only hope that we are able to pull together in the next few days, until the rescue team arrives for Lieutenant Ripley...

Suddenly:
The glass brick wall EXPLODES into a million smithereens as the creature stands revealed. Andrews turns...
Only to be snatched away by the retreating beast.
Both gone.
Boom!
Like that.

100  CORRIDOR

Ripley pulls open a door -- just in time to see the Alien pull Andrews' still kicking body up into an aircarft. She runs forward, tries to grab Andrews' legs. Pulls off a boot, as Andrews and the Alien disappear.

101  MESS HALL

Complete, utter silence from the assemblage.

(CONTINUED)
Malcolm rises -- then kneels...
Begins to pray.

MALCOLM
We give you thanks, O Lord, your wrath
has come and the time of the dead that we
be judged. That you should reward your
servants small and great.

CUT TO:

102 INT. LIBRARY

TWO PRISONERS in the back...

PRISONER #1
It was big. I mean big. And fast.

PRISONER #2
I saw it, asshole. I was there.

PRISONER #1
Yeah. But I mean it was big...

Aaron, Malcolm, the Prisoners...

AARON
According to her, it's some kind of
parasite. It goes through stages, lives off
its host until it can move around by itself.

MALCOLM
What do you mean host?

AARON
People.

MORSE
Great. How do we stop it?

Ripley sits off by herself, smoking a cigarette.

AARON
Off what she says, without state-of-the-art
weaponry, you can't.

MORSE
Shit. Why didn't she give us, some kind
of warning? This sucks. We don't even
have a fuckin' medic now.

(CONTINUED)
MALCOLM
Hey man, would you have believed her?

MORSE
She still should have --

MALCOLM
Shut up.

MORSE
Well, okay -- I guess we're just supposed to stand around and let the goddamn thing slaughter us.

Ripley stands, moves to the group.

RIPLEY
It's afraid of fire. Not much else...Can we seal off this area?

AARON
No chance. The installation is two hundred miles square. There's six thousand air-ducts running to the surface. This goddamn place is big.

Prisoner Morse walks up to Ripley.

MORSE
What the hell are we listening to her for? She's the one that brought the fucker.

MALCOLM
Knock that crap off.

Morse is skating on thin ice.
He decides to keep quiet.

AARON
What do we do now?

All eyes on Ripley.

CUT TO:

103 INT. FILE ROOM

A large dingy room.
Bulging file cabinets.

(CONTINUED)
Battered desks.
Dog-eaten wall calendars of naked women.

104 AARON
Pulls open a drawer.
Lifts out a schematic map and spreads it out on one of the beaten-up desk tops.

AARON
Here's the layout of the whole place...I told you, it's big.

105 RIPTLEY
Staring down at the layout.

RIPTLEY
It'll rest in one of the passageways or airshafts.

AARON
Maybe we can go in, flush it out.

RIPTLEY
And do what?

AARON
I dunno. Figure out some way to kill the bastard.

RIPTLEY
We can't fight it. So we're going to have to try and trap it.

AARON
What do we use as bait?

She looks up from the map -- gives him a look...

106 INT. LADDER-WELL - PRISON LEVEL
The corridor ends at a large shaft -- a rough hewn wooden ladder leads up and down. Years of damp air have warped the ladder. Ripley leans into the shaft. Smells like rot. She looks down.

(CONTINUED)
RIPLEY
What’s down there?
AARON
Air and water re-circulation.
RIPLEY
Fusion?
AARON
Yeah, but sealed away. This leads to the low tech stuff.

Ripley holds the torch up into the shaft.
Flame only lights the first few meters.
Ladder and walls GREEN with algae.
Stretching up into the gloom.
They climb...

INT. SHAFT

They move up the ladder.
Ripley leads the way.
Every few meters there is a cross shaft or a hallway.
She pauses before each level — Pokes her torch into both sides --

BEHIND HER

The others bringing up the rear.
Climbing single file they try to hold onto their torch at the same time. The footing is slippery --

Aaron’s foot slips — Malcolm loop’ his left arm around the ladder and catches Aaron’s foot with his right hand.
Pushes it back onto the rung.
Aaron GRUNTS.

MALCOLM
You all right?
AARON
Fine — just keep that torch out of my ass.

Ripley looks down at them as she climbs to the next level — then looks up at the cross-shaft opening before her --
Crouched at the mouth of the shaft.
Long, shiny head reflecting flickering torchlight --
Ripley SCREAMS --
SWINGS her TORCH --
HITS the creature --!
It collapses.
Crumbles in a shower of sparks.
Just a husk.
Dried.
Empty.
An Alien Exo-skeleton.

RIPLEY

Christ.
She steps off the ladder into the shaft.
The others crowd the opening behind her.

AARON

What is it?

RIPLEY

It's shed it's skin...I've never seen this before.

MALCOLM

What's it mean?

RIPLEY

It's bigger.

CUT TO:

INT. DARK PASSAGEWAY

Engulfed in an echoing sea of blackness, Ripley, Malcolm, Aaron...
They hold torches, stand before a familiar sign on the wall.

TOXIC WASTE DISPOSAL
THIS SPACE HERMETICALLY SEALED

AARON

Never been used. They were gonna dump a lot of nuclear crap in there -- store it in drums. They never got around to it, it's clean as a whistle in there.

(CONTINUED)
The precise spot where Boggs found the skin, and candles started going out.
A huge door leads into the disposal...

RILEY
(re: door)
This is the only way in or out?

AARON
That's right.

RILEY
Walls six feet thick?

AARON
Solid steel.

RILEY
Let's get this right -- You get something in there and close the door, no way it can get out?

AARON
Right. No fuckin' way.

Ripley glances down at the map.

RILEY
If we can get it to chase us down these passageways, close them off one at a time, we might get it inside...

AARON
Bull shit. It could be anywhere. There's a hundreds of miles of black out there.

RILEY
It'll find us. Big question is, who does the running?

Ripley moves to the enormous door...
Breaks the seal on a control box and pushes a button.

THE GIANT DOOR

slides open with amazing speed.
Ripley, Malcolm and Aaron stare through the door.
Empty chamber within...

(CONTINUED)
MALCOLM
You're sayin' we got a shot to beat it?

RIPLEY
Not much. But I can tell you if we don't do anything, it reproduces. We'll have fifty of them, then six hundred... We're all dead if we just stand here with our thumb up our hiney.

MALCOLM
We're all dead anyway, sister. And we ain't exactly giving up the garden of paradise here.

CUT TO:

112 INT. LIBRARY

All the prisoners.
Malcolm at the center.
No Ripley. No Aaron.

MALCOLM
This is what we have been waiting for. This is the sign. This means the last days are near. This is The Beast from the book. Okay, this motherfucker is out there and he's a killer. You saw it. And they want us to be bait, you get it? Bait. You are all going to die. I am going to die. No question about that. The question is will you be redeemed? I say that those that die go straight to the promise. In dying, we meet our salvation. This big motherfucker means the final days are here. We are close to the promise. Okay, who wants to die first?

All the prisoners raise their right hands.
Rear in approval of Jihad.

MALCOLM
Those who die first go straight to the promise!

More shouting by the prisoners.

CUT TO:
113  PASSAGEWAY NUMBER ONE

On the outer perimeter of the maze.
A prisoner holds a torch overhead and paces nervously in the dark.
To his right is an open doorway.
Opposite the doorway, the passageway turns left ninety degrees.
With him are two other prisoners. Nervously, Prisoner #1 glances
at one of them:

PRISONER #1
(re: door)
The second I step through that fuckin'
door, you close the motherfucker. You
got it?
(Prisoners nod)
Okay. Let's try this sucker again.

The two Prisoners step inside the door.
Prisoner #1 steps through.
The door slams shut.
Seconds later, the door opens.
Prisoner #1 steps back into the passageway.

PRISONER #1
Okay. I'm ready! Let's lunch the son of
a bitch!

WHAM!
He butts his bald head on the door.

114  PASSAGEWAY NUMBER TWO

Fifty yards from where Prisoner #1 is waiting,
Morse chewing his nails by a similar door.
Two more prisoners wait with him.

115  PASSAGEWAY NUMBER THREE

One step closer to the toxic waste container.
A BIG PRISONER and three companions wait by a pneumatic
door.
Try to remain calm in the oppressive darkness.
One of the prisoners, scared shitless...

        BIG PRISONER

        Easy, Brother.
PASSAGEWAY NUMBER FOUR

This leg of the relay belongs to Aaron.
He’s got two Prisoners with him.
Avoiding his companions, Aaron sits by himself.
A SOUND.
He gets to his feet, staring into the murky blackness.

AARON

What was that?
No answer.
Petrified, everybody eyeballs the air-duct.
It creaks.
Something’s moving in there.
It’s getting closer.
Aaron is ready to run.
Just before he does...

A PRISONER

Sticks his head out of the air-duct.
In the light of the torches, he grins hideously:

PRISONER

You guys got anything to eat over there?

PASSAGEWAY NUMBER FIVE

TWO PRISONERS -- both have torches.
Prisoner #3 sweats like a bandit...

PRISONER #3

You believe in this heaven shit?

PRISONER #4

I dunno.

PRISONER #3

Yeah. Fuck it.

PRISONER #4

Right. We’re here.

PRISONER #3

Yeah, ain’t that the truth...Well, hey, what the fuck -- right?

He laughs.
His laughter hits the walls and booms back, amplified, distorted...
PASSAGEWAY NUMBER SIX

The last leg of the relay.
In torchlight, Ripley and Malcolm wait...
Malcolm snaps a rubber band on his wrist.

MALCOLM
(re: band)
I put this on a few years back to remind
me that I wasn't perfect.

Pause.

MALCOLM
You miss the doc, right?

RIPLEY
I didn't know him very well.

MALCOLM
I thought you two got real close.

RIPLEY
I guess you've been looking through some
keyholes.

MALCOLM
(smile)
That's what I thought.

Unexpectedly, she is hammered by a tidal wave of nausea.
It rolls up through her body, grabbing her by the throat and
shaking her to the core.
Leaning on the wall, she gags and coughes at the same time.
Malcolm is at her side in an instant, trying to hang on to her.
Fighting for air, she shoves him away.

MALCOLM
You okay?

RIPLEY
Yeah.

Sweating profusely, she looks away.

MALCOLM
You don't look okay to me, sister.

Before she can answer, the torpid air is pierced by an ear-splitting
SCREAM...
PASSAGEWAY NUMBER ONE

All hell is breaking loose.
The Alien's got one of the Prisoners and is butchering him alive.
The guys' screams are enough to wake the dead.
Waving his torch at the bloody scene, Prisoner #1 bellows at the

top of his lungs:

PRISONER #1
Here I am you bastard! Come and get me!

Spotting him, the Alien tosses away the prisoner's body and
charges.
Turning, Prisoner #1 races back up the passageway as fast as he can
go.
Footsteps and screams explode in the confined space.
The Alien, a dark blur, closing ground with frightening speed...
Rounding a corner, Prisoner #1 sprints for his pneumatic door.
At the last second, he rockets through the door and it slams shut.
The Alien hits the door with terrifying power.
Concussion from the impact reverberates down the passageway...
The steel bends but holds.

PASSAGEWAY NUMBER SIX

Ripley stands with torch in hand, looks at Malcolm...

RIPLEY
The first time I met up with this thing, it killed my whole crew. And I survived.
The next time, it killed a different crew, machines, killed all of them, and I
survived.

Pause.

MALCOLM
How about now? You still feel lucky?

PASSAGEWAY NUMBER TWO

Morse and the two prisoners stare in horror into the darkness.
Disjointed screams and strange echoes ricochet off icy walls...
Morse hears Prisoner #1's voice buried in the jangled duct:

PRISONER #1(OS)
In the air-duct...air...duct...

(CONTINUED)
Morse turns to one of the prisoners.

MORSE
What the fuck?! Did he say air-duct?!
Did he say fuck?! What the fuck did he say?!!!

PRISONER
I dunno.

Morse has no time to think.
The Alien explodes out of an air-duct behind a prisoner to his left
and RIPS the man’s head off.

REMAINING PRISONER
It’s going the wrong way!

MORSE
What?

REMAINING PRISONER
We have to turn it around!

Shrieking in agony, the Remaining Prisoner discovers exactly what
his insides look like...
Morse takes off like a shot --

PASSAGEWAY NUMBER THREE

The Big Prisoner and his companions wait, listening to the sound
from up ahead.
Suddenly, Morse appears alone, screaming:

MORSE
It’s right behind me! It’s right behind
me!

Like a flash, he charges through the pneumatic door.
It slams shut behind him.
Turning, The Big Prisoner starts running down the right-angle
corridor...
Another leg in a relay against death.

PASSAGEWAY NUMBER SIX

Screams and shouts come from all directions.
It’s disorienting.
Malcolm and Ripley wait, trying to make sense out of what they
hear.
125 PASSAGEWAY NUMBER THREE
The Big Prisoner thunders through the blackness.
In the darkness behind him, he can hear something moving.
It’s getting closer with each passing second.
Ahead, he spots Aaron and the other Prisoners in the torchlight.
His face glistens with sweat.
Every muscle in his body strains.

126 PASSAGEWAY NUMBER FOUR
Aaron watches The Big Prisoner hurl himself through the pneumatic door.
It slams shut.
The race is on.
Screaming, Aaron charges about fifty yards into the dark and stops.
Raising his torch, he looks behind him up the passageway.
It’s empty.

127 PASSAGEWAY NUMBER SIX
As the echoes die, Ripley can barely make out the sound of Aaron’s voice:

AARON (OS)
It’s not here. It’s gone!

RIPLEY
Shit!

128 PASSAGEWAY NUMBER FIVE
Prisoners #3 and #4 also hear Aaron’s voice and exchange horrified glances.
Before they can do anything, the Alien explodes out of an air-duct above their heads and rips a hole in Prisoner #3’s chest.
Groaning, he dies without a sound.
It’s Prisoner #4 that’s making all the racket.
Splattered with blood, he takes off screaming...

129 PASSAGEWAY NUMBER SIX
Ripley stands in the shadows by the open door.
She hears Prisoner #4’s screams.
Suddenly, the Alien appears moving at the speed of sound.
Holding her torch, Ripley jumps back --
Passing Malcolm in a blur, the Alien thunders after her.

(CONTINUED)
Ripley races for the open door of the container. She can hear the thing behind her. It's gaining rapidly. Up ahead, the door’s twenty yards away. Ten yards away. Suddenly, she stumbles, falling head over heels onto the concrete. The torch skids away on the slippery floor. The Alien rockets by, skitters to a stop and turns. It’s all over. But something weird happens. The beast just looks at her. Doesn't move on her. Just looks. Then, at the very last second...

130  PRISONER #4

Pounding past Ripley on the floor, he slams into the Alien... Waving his torch and sprints at the door leading to the waste container. Enraged, the Alien gives chase.

PRISONER #4

Close the door on me! No time!

As he disappears into the container, the Alien hits him in the back like a cannonball. Both of them disappear into the darkness. Appearing from the shadows, Malcolm shuts the door. The Alien and Prisoner #4 are trapped inside. For a moment, nothing happens. Ripley gets to her feet. Exhausted, bloody and dazed, Prisoners stagger out of the dark... Stare at the closed door. Aaron is with them. Unexpectedly, from within the container, the sound of Prisoner #4’s sacrifice. A terrifying bloody shriek. Abruptly, the scream stops. An eerie silence descends. It's so still, Ripley can hear the sound of her own heart. Then, from within the chamber, a weird clattering... Like ragged claws skittering back and forth over cold steel. Trapped inside, the Alien is hunting for a way out. Finally, the skittering stops.

RIPLEY

It's not over.

(CONTINUED)
AARON
What are you talking about? We got the bastard trapped.

A long look between Aaron and Ripley.
Unexpectedly, the silence is shattered by an ear-splitting CONCUSSION.
Horrified, everybody stares at--

THE DOOR

A huge convex dent the size of a car has appeared in the reinforced steel.
A terrifying echo cannonades away forever in the dark.
Suddenly, there's a second, even more devastating concussion.
The ground under Ripley's feet shudders.
Another convex indentation appears on the surface of the door...
Bigger than the first.

AARON
Son of a bitch. That's a steel door.
Malcolm watches Ripley.
She stares at the door in some kind of trance.
Another dent appears.
Ears ring.
Finally a long silence.
On Ripley's face:

A prisoner plays a gospel song on an old battered piano.
A small choir hums the tune as...

MALCOLM
(speaking to the congregation)
Rejoice! Even for those who have fallen,
this is a time of rejoicing. We salute their courage. And they have their reward,
they are in a far better place. They will live forever. Rejoice! Those who are dead are not dead. They have moved up!
They have moved higher! Rejoice!

He joins the congregation in song.
133  **GALLERY**

Ripley and Aaron look down at the religious ceremony.

AARON

Fuckers are crazy. But it keeps 'em quiet.
They're hung up on this religious crap.

Pause.

AARON

I figure rescue team gets here in four,
five days, six tops. They go in there with
smart guns and kill the bastard. Right?

RIPLEY

Have you heard anything from them?

AARON

Naw. We just got a message received.
Later we got something that said you were
top-priority -- They don't cut us in on
much. We're the ass-end of the totem
pole out here.

RIPLEY

Look -- if the company wants to take the
thing back...

AARON

Take it back? Are you kiddin'? They
gotta kill it.

RIPLEY

Right.

No fucking way.

C'mon man, it hurts.

Sorry.

I didn't do nothing.

Don't talk to me.

What'd I do? Just tell me what'd I do?

I'll tell you what I'm going to do, I'm gonna guard your ass just like I was ordered. I don't want no trouble with Malcolm.

All I did was tell about the dragon. What it did to Boggs and Rains. I wasn't lying. You saw it.

Fuckin' A. It was big.

Let me loose, man. What if it gets in here? I couldn't even run. I'd be dead meat.

It's not going to get in here. We got it trapped.

Then what's the big deal? Come on, man, let me loose.

Pause.

Fuck it. Why not? But behave yourself. No fuckin' around or I'll get nothin' but shit.

(CONTINUED)
Morse starts to free the straps.

GOLIC
Hey, no problem. Trust me, buddy.

Golic is now free.

GOLIC
Where they got it?

MORSE
Up in the waste tank. We got that sucker nailed down. I mean tight.

Golic swings his arms -- gets his circulation back...

GOLIC
I got to see it again. It's the dragon of God. It's in the book.

MORSE
What the fuck you talkin about?

SMACK! SMACK!
Golic hammers him down and out.
Two punches.

GOLIC
It's in the book.

He wanders off.

Golic approaches.

GOLIC

Okay. Off and on. I gotta get in there.

Prisoners #2 and #3 stand.

PRISONER #2

What the hell's he talkin' about?

PRISONER #3

Fucker's crazy.

GOLIC

I just need to go on in there and see The Beast. We got a lot of shit to talk over. It's all in the book. I gotta go in there.

PRISONER #1

You ain' goin' in there, shithead. Big motherfucker eat you alive.

PRISONER #2

Plus you let that fucker out, kiss our ass goodbye.

Golic suddenly lifts a club and smashes the man in the head. A brief bloody struggle. BOOM, BOOM, BOOM, he lays the three prisoners out.

GOLIC

I say somethin' -- you guys oughta learn to pay attention.
GOLIC

He eyeballs the battered door.
Silence.
Golic giggles, cocks his head...
Listening for a moment, moves to the door.
Still chuckling, he starts fiddling with the control.
Finding the right button, he pushes it.
Somewhere, gears whine.
Steel scrapes on steel.
The smashed door swings partially open and gets stuck.
An ominous darkness is waiting within.
Straining, Golic tries to get the door open all the way.
He puts his entire body into it.
More scraping.
Finally, the door opens completely.
Golic peers into the darkness.
Nothing.
Silence.

GOLIC (CONT'D)

Okay. Just tell me what you want. Just tell me what to do, brother.

Why do we have to kill it? You just said the company's coming for it.

RIPLEY
That's right. They're going to take it back to earth.

MALCOLM
What's wrong with that?

RIPLEY
It'll destroy it. They can't control it. It'll kill them all.

RIPLEY
Hit either 'B' or 'C'. What's 'C'?

AARON

Aaron hits the keyboard.
Ripley forces her body into the cryo-tube.
It's a very tight fit.
Claustrophobic as hell.
Every instinct she has is yelling at her to get the hell out of there and run.
He goes back to work on the keyboard.
Above Ripley's head, inside a panel, a motor whines.
It scares the hell out of her.
Haunted, she closes her eyes.
Aaron watches the display monitor.
A picture of Ripley's head appears on the screen.

AARON
Okay. What am I supposed to be lookin' for? I don't know how to read this shit.

RIPLEY
If it's there, you'll know it when you see it.

Rapidly changing digital information and additional medical data are superimposed on the image.
Aaron works the keyboard.

(CONTINUED)
An unseen scanner begins moving down Ripley's body.
Her neck and shoulders appear.
Aaron wipes sweat from his brow.
He stares at the image on the display as it reveals the interior of Ripley's thorax.
He opens his mouth to speak, but nothing comes out.

**AARON**
Holy shit...what the fuck is that?

Pause.

**MALCOLM**
You're carryin' it.

**A BABY QUEEN ALIEN**
is clearly revealed, growing inside Ripley's chest.
An embryonic head hangs down toward the pelvis.

**RIPLEY**
What's it look like?

**AARON**
Fuckin' horrible.

**RIPLEY**
Adjust the mirror. I've got to take a look...

**MALCOLM**
I don't think you want to.

**RIPLEY**
Do it.

Aaron adjusts the patient-mirror...
She takes a long look.

**RIPLEY**
Okay.

Punching a button, he shuts off the scanner.

**AARON**
Right. Let's get you out of here.

*(NOTE: RIPLEY'S SOLO LOQUY WILL BE INSERTED HERE. TO BE WRITTEN)*

CUT TO:
INT. MESS HALL

MALCOLM
Give us strength O Lord, to endure. Until the day. Amen.

The remaining prisoners are assembled.
They all raise their right fist...
Aaron clears his throat --
He's attempting to take on Andrews' mantle of leadership.
Ripley is nowhere in sight.

AARON
Okay men, rumor control. I guess you all know what's gon' on. We're doin' our best...

Prisoner voices --

PRISONERS
Bite this! Sit down! Boo! Shut the fuck up! Get hosed! What the shit do you know?! Blow me! Eat it!!

Malcolm stands.
Calms the group.

MALCOLM
This is rumor control.
(smile)
Okay brothers. It's loose again, it's cut here. There is good news, a rescue team is on the way with guns and shit. Right now, there ain't no place that's real safe. Ripley says the son of a bitch may be afraid of fire, so you might hang out at the smelter. In any case -- lay low. Be ready and stay right, in case your time comes. I'm goin' to my cell for some solitude. If you need me, call me...

INT. CELL BLOCK

Malcolm, walking alone down the corridor.
Passing the empty cells.
His footsteps echo...
Malcolm stops before an open-doored cell.
Looks in at Ripley.

Malcolm

Hello, sister.

MALCOLM

(CONTINUED)
Pause

RIPLEY
The thing that's inside me is a queen. It has to be, otherwise it would have come out by now. I've seen how they work. It's not very pretty. So it's going to be a queen. An egg layer. Millions of eggs. It's not like the one that's out there running around loose. I don't know how long this thing takes to gestate.

MALCOLM
How did it get inside you?

RIPLEY
While I was in hypersleep, I guess the horrible dream I had wasn't exactly a dream.

You got raped.

MALCOLM
Yeah. Pure and simple. And I get to be the mother of the mother of the apocalypse.

What are you gonna do?

RIPLEY
I've got to kill it.

MALCOLM
How you figure on doin' that?

RIPLEY
Simple. Except I can't do what I should -- so you've got to help me. You've got to kill me.

Me?

MALCOLM
You.

RIPLEY
You're just bullshittin'.

(CONTINUED)
RIPLEY
You don't get it. I'm dead anyway. So are you. This thing inside me can
generate thousands more. This thing can wipe out the whole universe. It has to die.

MALCOLM
There's still that big one out there. Long as he's alive, you ain't savin' no universe.

RIPLEY
I don't care about that one. You kill it. I can't stand to have this thing inside me for
another minute. You're supposed to be a killer -- kill me.

A long moment.
Then...
He goes to the cell across the way.
His cell.
Reaches under the cot.
Lifts a fire-axe.

MALCOLM
I keep this around in case the backsliders get out of hand.

Ripley stands.
Walks into the corridor.

RIPLEY
Just do it. No speeches.

Turns her back on Malcolm.
He raises the axe.
Hesitates.

RIPLEY
It has to be killed. Don't think of it as me.

MALCOLM
You're really pushin' me, sister.

RIPLEY
Come on, do it! You told me you were a killer -- do it. Just do it.

A long moment.
Then he swings the axe full force.
Drives it into the wall next to her head.
She turns.

(CONTINUED)
RILEY
You're not doing me any favors! This has to be done!

MALCOLM
Sorry. I can't. I am a new person. I have taken the vow.

Pause.

MALCOLM
I now know for certain that it is real. I have murdered without provocation a hundred times. But you have shown me. I am new. I am whole. I am prepared.

Tears the axe back out of the wall.
Turns and walks off.

RILEY
Where are you going?

Turns back.

MALCOLM
I want to be with the books.

Continues moving away.

150 INT. COMMUNICATION ROOM - COMPUTER ANNEX

Ripley taps out the five-digit code.
Runs her thumb against the identiprint.
The inner door opens
Data banks come to life.
She sits at the console.
Thinks for a moment.
Then punches up a code.
Nothing happens.

RILEY
Shit!
Punches another combination.
Nothing happens.
The Comm door SLAMS open --
It's Aaron.

RILEY
I need to get a line back to the Network.

AARON
Okay. Why?

(CONTINUED)
RIPLEY
I want to tell them this whole place has
gone toxic.

AARON
Are you kiddin'? Then they won't come
here. The rescue team'll turn back.

RIPLEY
That's right.

AARON
What are you talkin' about? Our only
hope is that they kill this fucker. And
maybe they can do something for you.
Freeze you -- do an operation. They got
the technology...

RIPLEY
If it gets off this planet, it'll kill
everything. We can't let the company
come here. They'll try to take it back
with them.

AARON
Fuck you. I'm sorry you got this thing
inside you, lady, but I want to get rescued.
I don't give a shit about these meatball
prisoners, but I got a wife and kid. I go
back on the next rotation.

RIPLEY
Look -- I know this is hard, but I've got
to send a message back. I need the code.

AARON
Sorry, babe. It's classified.

RIPLEY
Look, shithead, it's got to be done!

AARON
No fuckin' way, Lady. Not without killin'
me first!

Pause.
Ripley sits down.

RIPLEY
I tried to get Malcolm to kill me.

(CONTINUED)
AARON
Why? So the thing inside you would die?

She nods.

AARON
Right. No problem, I'll tell you what, if that's what you want, you kill the big bastard -- I'll put your lights out. I'll even do it real painless. Promise. Nothin' personal; you understand. I think you're okay.

RIpleY
Thanks.

AARON
Got any ideas?

Ripley pours herself a glass of water.

RIpleY
It won't kill me.

AARON
Oh yeah. Why?

RIpleY
It can't nail me without killing the new queen.

AARON
You really want to bet this thing's that smart?

RIpleY
It could've killed me twice. But it didn't.

AARON
If it can't kill you -- then I'm stickin' real close. You're the best shot I got.

RIpleY
I'm going to go find it. If it can't kill me then maybe I can just walk up to it. Shove a torch down its mouth. Hit it between the eyes with an axe. Kick it in the nuts. Something. The worst thing that can happen is...it kills me.

(smile)

Right?

(CONTINUED)
AARON
Great. Where you gonna get an axe?

RIPLEY
Malcolm...Don't forget your promise. If
I kill it -- you kill me.

AARON
I promise.

CUT TO:

INT. LIBRARY

The place is deserted, except for Malcolm and Morse. Morse scratches furiously.

MALCOLM
What's the matter with you?

MORSE
Nothing.

MALCOLM
Why you scratching yourself?

MORSE
Damn lice. They're all over the stacks
back there.

MALCOLM
Bullshit. This Library gets sterilized
every two days. No way any surface lice
could get in here...

Voice trailing away, he stares at Morse.

MORSE
Oh man...

MALCOLM
(whispering)
Be still.

Morse freezes.

MORSE
I ain't ready to die!

Then get out.  MALCOLM

(CONTINUED)
MORSE
No fucking way.

MALCOLM
Listen to me you little piss ant. I spent half my life in prison before I became a believer. It means the whole ball of wax...I believe in the prophecy.

MORSE
So do I, but -- I ain't ready to die.

MALCOLM
Either get your doubting ass out of here or start praying. I need my strength.

Malcolm shoves him down.
In the ghostly, flickering incandescence, Malcolm begins to pray softly.
Eyes closed, Morse starts to pray with Malcolm.

MORSE
I am a believer. The light is my help. The light is my stronghold. I shall see no evil.

MALCOLM
When evil draws near, it is evil that will fail. My body will be taken, but never my spirit. Send us the One Who Will Come.

While Malcolm and Morse continue to pray...
High above, at the very top of the stacks, something is moving.

A SHADOW
slips out of the air-duct.
Attaches itself to the outside of the elevator shaft.
Starts to descend.
Far below, the Prisoners' voices:

MORSE
It is the light I seek. My eyes are closed to evil. Send us the One Who Will Come.

Something hits the floor behind them.

MALCOLM
It'll be okay. Just keep your eyes closed.
(praying louder)

(CONTINUED)
MALCOLM (CONT'D)
For I will be safe on the Day of The 
Beast. My body will be taken, but never 
my spirit. I am in your hands. I am 
ready to be judged.

Something rises up in front of Morse. 
Behind closed eyes, he can feel the change in light... 
To his right, Malcolm prays louder than ever:

MALCOLM 
Although evil surrounds me, I shall offer 
within a sacrifice of pure joy. My body 
will be taken, but never my spirit.

Morse tries to pray, but can't. 
He opens his eyes...

153 THE ALIEN
Looming over him, drooling horribly.

154 MORSE
Screams. 
Bolts for the door. 
Unlocks it... 
Runs through.

MALCOLM (CONT'D) 
I am ready to be judged!

Now shouting, Malcolm keeps his eyes closed...

MALCOLM (CONT'D) 
The Beast has made me dwell in darkness, 
like the dead, long forgotten. I will fear 
no evil!

His voice cracks and trails off into nothingness. 
He's pushed his faith to the edge.

155 IN THE HALLWAY - OPPOSITE MORSE'S DOOR
Rounding a corner, Ripley and Aaron appear... 
Ripley moves to a plexiglass window.
156 IN THE LIBRARY
Sitting on the floor, Malcolm opens his eyes and sees Ripley. She's SCREAMING something, but he can't hear. He glances over his shoulder, spotting the Creature. Malcolm SUDDENLY LIFTS HIS AXE, smashes at The Beast. Slices through one of its forelegs. In a flash, the Alien strikes...

157 IN THE HALLWAY - RIPLEY
Watching through the Plexiglass... Grabbing a fire extinguisher from the wall, she starts pounding it against the window --

158 IN THE LIBRARY
In his death throes, Malcolm climbs reflexively on his feet. Looking at Ripley pounding on the glass. Savagely, the Alien rips a hole in his chest. Hurls his body backwards... Gathering it up, the Creature drags it away.

159 IN THE HALLWAY - RIPLEY
Helpless, she drops the fire extinguisher on the floor. Watches the Alien disappear through the air-duct with Malcolm's body.

160 INSERT - MALCOLM'S AXE
It lies across a battered mess table.

161 INT. MESS HALL
Morse, Ripley and Aaron. Morse is seated. Drinking a coke. Looks like hell. Ripley is across the way. Staring at Malcolm's axe...

MORSE
Don't give me any shit -- like it was my fault. He could've come with me. Fuck! You're the one that brought it here! You're the one responsible! Kiss my ass!

(CONTINUED)
The lights suddenly dim.
Flicker
Return but at a much lower amperage.

MORSE
Now, what the fuck! Fuckin' beast is screwin' up the electric system!

AARON
I been expectin' this. Main generator must've went out. Nobody feeding the firebox. Emergency backup just went on...

RIPLEY
Let's go.

Where?

AARON
To find it.

RIPLEY
Find it! What the fuck!

AARON
There's miles and miles of prison out there. Could be anywhere.

MORSE
It's in the glassworks. It's even got it's nest there.

AARON
How the hell do you know?

MORSE
I saw it. That's why. I was on my way back from the vent shafts -- I took one fuckin' look and hauled ass. That's why I went to the library -- to tell Malcolm...I think the big fucker followed me...

Ripley picks up the axe.

AARON
You comin' with us?

MORSE
No fuckin' way.
A TORCH
Moving through the semi-darkness...

INT. GLASSWORKS - NEAR GANTRY
Ripley and Aaron enter.
She has the axe in one hand, torch in another.
The area has been transformed into an...

ALIEN COCOON CHAMBER.
Walls and ceiling encrusted with Alien mucous.
Hives built around rotting corpses.
Ripley moves forward.
This is not new to her.
A sound...
Moaning.
Low moaning.

THE COCOONS
Dozens of semi-transparent pods -- inside each, a prisoner's body.
Aaron moves forward --
He can almost make out the faces of the men in the cocoons.
They seem to be --

AARON
They're not dead... What the fuck is this?

RIPLEY
This is the meat locker. It'll feed the new Queen.

ANDREWS (O/S)
Help...

They turn --
Their torches illuminate --

ANDREWS
Cocooned.

AARON
Fuck...

(CONTINUED)
He starts forward...
Ripley stops him.

RIPLEY

No -- Look--

In the fine mist of the chamber a narrow MEMBRANE -- like a cross section of laser light -- encircles the cocoon chamber.

RIPLEY
It's like an alarm. Step in there and it knows we're here.

AARON
What about Andrews?

RIPLEY
Too late.

ANDREWS
Please. Kill me. Please.

AARON
We can't just --

Ripley steps forward -- touches the flame from her torch to the Alien web...
Andrews' cocoon is engulfed...
Ripley and Aaron watch as he is burned to a crisp.

RIPLEY
We burn it. All of it.

Aaron looks up at the ceiling -- the circling flames.
Soon the Cocoon chamber is a pyre...
The flames lick at the ceiling.
Catch the dry timbers.
SCREEEEE -II
They look up.

FAR END OF THE BURIAL CHAMBER

The Beast holds something in his hand: A man's torso.
What's left of Malcolm.
The Beast lets it drop to the floor.
Ripley throws her torch -- it flies end over end -- the length of the cocoon chamber -- the Alien's hand comes up --
It SMASHES against his foreleg --
Covering him with a sheet of flame --
168 THE ALIEN
Rolls around on the overhead gantry to tamp out the flame.
Moves up the wall -- through an opening...

169 RIPLEY - AARON
AARON
He's headin' back to the ovens.
She pushes Aaron back towards the ladder --
RIPLEY
Come on!

170 THE COCOON CHAMBER
Now an inferno.
Hundreds of pods fully ablaze.
A SHRILL KEENING SOUND as the flames fully engulf the half-
dead...

(NOTE: THE FOLLOWING SEQUENCE WILL BE SUBJECT
TO STAGING CHANGES, BASED UPON STORY BOARDS
AND SET DESIGN. WHO DOES WHAT TO WHOM AND IN

171 INT. GLASS FACTORY - NEAR OVEN AND VAT
They run in...
Aaron pulls a large blowing pipe from the wall...
Stands in front of the furnace.
Glass chamber nearby.
She lifts the axe.

AARON
You okay?
RIPLEY
If he kills me, he kills the Queen. Let him
choose.

172 THE ALIEN
Standing in the open doorway,
Smooth Bio-mechanical skin blistered and swollen in places.
The Alien takes a step into the room.
Towards Ripley.

(CONTINUED)
Cautiously.
Then stops.
Aaron runs to the other side of the room -- to the vat of molten glass --
The Alien swings its huge head towards Aaron --

AARON

I can save us!

Aaron picks up an empty glass bottle from the cooling rack and
throws it at the Alien -- CRACK! Another. CRACK!
The Alien starts moving towards him...
Comes right up to him --
Aaron swings the iron rod --
HITS the alien across the back of its bulbous head --
It Whips its skeletal Tyrannosaurus tail --
SMASHES Aaron up against the Molten Glass vat.
Leans over him.
Lips pull back.
Inner jaws extend...
Ripley strikes her axe into the Alien's torso.
His acid blood SPURTS out the end of the hollow tube --
SPLATTERS Ripley's cassock -- she TEARS it off --
Ripley grabs Aaron -- pulls him back.
The Alien SPINS in a circle --
Blood SPRAYING around him --
Creating a CIRCLE OF FIRE about him --
IGNITING floor -- the walls --

173 RIPLEY AND AARON

Duck down behind the vat. -- FIRE SPRAYING everywhere --
He jumps up -- pulls away from her --
Runs to the far side of the molten glass vat.
He looks down:

174 THE VAT

White hot liquid bubbles away at over 1300 degrees --

175 THE ALIEN

Acid blood has eaten through the blowing iron and it clatters to the
floor in two pieces,
Head whips towards Aaron...
176 AARON
Points to a ladder behind Ripley --
Ripley looks up, realizes what he means.
Runs to the wooden ladder --
Lowest rungs ablaze she LEAPS up -- grabs the ladder and keeps
going --

177 THE ALIEN
Moves in on Aaron .
Slowly.
Makes his way around the steaming vat.
Aaron has nowhere to run --

RIPLEY
Hey!
The Alien whirls -- Ripley kicks off the ladder --
It swings across...
Ripley and ladder smash into the Alien --
The impact knocks the Alien off balance --
Ripley lands heavily on the side of the gantry.
As the ladder tears away --

178 RIPLEY
Grabs onto the gantry.
Pulls herself upright.

179 THE ALIEN
Teeters for one moment like a drunken tightrope walker --
arms flailing around -- then falls back -- grabs Aaron --

180 INTO THE MOLTEN GLASS
Aaron screams and The Beast screeches as it sinks beneath the
surface of the thousand degree liquid.
Ripley falls to floor.
Holds her stomach --

181 EXT. SURFACE OF PLANET FURY
The backwash of huge rocket engines.
A Wayland-Yutani rescue craft touches down.
INT. CONE OF SILENCE

Morse watching as the door explodes inward...
Two other prisoners shrink back as --
Six Commandos and two medical officers enter.
The Commando team covers the area with pulse rifles.
The Captain steps forward.
Looks at Morse.
The Captain is a dead ringer for the android Bishop.

BISHOP II
You got a name?

MORSE
Right, sir. Prisoner Morse. 137512.
Three years to go, sir...

BISHOP II
Where is everybody?

MORSE
Not many of us left, sir.

BISHOP II
What about Lieutenant Ripley?

MORSE
Don't know, sir. But I know where she went.

RIPLEY - IN THE GLASSWORKS

She's cuddled up in a fetal position.
Sweating.
Groaning.
Nightmare without end
But it gets worse...

OVER HER SHOULDER

A STEAMING six-fingered hand breaks the surface of the Molten
glass.
Ripley's head whips back over her shoulder:
The Alien is CLIMBING OUT OF THE GLASS --
Covered in molten glass --

RIPLEY
No!
RIPLEY

Stands up.
The Alien steps out of tank.
Jaws open -- dripping liquid fire --
Ripley looks around the room.
Up:
Sees something.
Something good.
Ripley starts to move sideways...
The Alien moves sideways.
Mirroring her...

ON A CATWALK - NEAR THE GANTRY

As she angles herself towards her goal.
She slips on a smear of alien mucous--
Pulls herself up --
Blowing pipes bouncing down to the floor below --
The Alien is closer --
Ripley pulls herself to her feet --
Turns to face the Alien.
It's a steaming mass of bubbling glass -- scariest feet away.
But it doesn't attack her.
It tilts its long head to one side and considers her.
It looks from Ripley to the furnace and back.

RIPLEY

That's right you fucker! It's still inside me!

The Alien seems to understand her.
Ripley looks up:

RIGHT ABOVE THE ALIEN

Five hundred gallon water tank.
Knotted hemp rope leading down to a chain.
The Alien pulls back its lips --
Ripley grabs the chain --
She pulls --
The cold water pours down on The Beast.
The Molten glass instantly cools --
The rapid extreme temperature change causes The Beast to --
Explode into a million pieces...!!!!
The steam clear...
The room is littered with Alien Bits.
Each piece is encased in glass -- trapped like a fly in amber.

(CONTINUED)
 pouco: 10/10/90 - W.H., D.G. 98.

RIPLEY

Got you.

188 ON THE CATWALK

Dragging herself upright, Ripley grips the railing and glances down at the furnace. Its cross-like shape blurs, slipping in and out of focus. Suddenly, she's sick again. Turning, she sees Bishop II and his group appear below. Bishop II starts moving towards her. Gazing upward...

Her voice cuts through the sweltering heat:

RIPLEY

Don't come any closer!

(BISHOP II

(stopping)

Ripley. Wait.

RIPLEY

Stay where you are!

He stands still.
The others move in behind him.
Another wave of nausea overcomes Ripley.

BISHOP II

I just want to help you.

RIPLEY

No more bullshit! I just felt the damn thing move.

Hating, Bishop II watches her step out onto the floor of the crate, hand poised over a control box. The crate's steel floor is red hot from the furnace below.

Something horrible hits Ripley in the chest, knocking the wind out of her.

Struggling for breath, she never takes her eyes off --

189 BISHOP II

He gives her a small comforting smile...

BISHOP II

You know who I am?

(CONTINUED)
RIPLEY
Yeah. A droid. Same model as Bishop.

BISHOP II
I'm not an android. I designed it. I'm the prototype. But I'm very human. I was sent here to show you a friendly face -- and to demonstrate to you how important you are to us. Please come down.

RIPLEY
You just want to take it back.

BISHOP II
We want to take you home. We don't care what happens to it. We know what you've been through.

MORSE
I hate droids.

Bishop II glances over to Morse -- a look of quick contempt.

BISHOP II
Shut up.

RIPLEY
Bullshit. You just want what's inside me.

BISHOP II
I won't lie to you. I know you don't want to be patronized. We do care about it. After all, it's the last one in the universe. And it's a perfect organism. It's structural perfection is matched only by its hostility. We admire its purity.

ON THE CRANE
Resolute, she hits the control box.
Slowly, the giant crane starts to move, heading out over the furnace.

BISHOP II
and the rest stand riveted below.
The heat is murderous.

BISHOP II
Ripley, I only have your best interest at heart. We can surgically remove the fetus. You're going to have a long, productive life.

(CONTINUED)

He holds out his hand -- an almost beatific gesture. Morse now moves very close to Bishop II. He's totally freaked out.

MORSE
I hate droids. They're so full of shit.

BISHOP II
(upward, to Ripley)

Trust me.

WHAM!
Morse hits Bishop II in the middle of the head with Malcolm's axe. Bishop II stands there frozen. Then turns to Morse...
Axe stuck in his head. No wires. No milk. Real blood.

BISHOP II
I am not a DROIDDDDDDDDD!!!!!!
And dies.

(REMAINDER OF ENDING CONFIDENTIAL -- TO BE REVEALED LATER)
